

2021 IRA Trailer and Team Arrivals Thursday, May 27, 2021

Coaches and Riggers, Boat People and Trailer Drivers:

THIS MEMO SUPERCEDES THE MEMO OF APRIL 30, 2021 REGARDING THE OPENING OF THE STAGING AREA.

Arrivals for Trailers and opening the area for athletes will occur in two stages next week. Beginning at 9:00 am Pool "A" consisting of all teams that have entries in the three heavyweight eights events, or hauling for multiple schools will be able to enter the staging area. Unlike 2019 in California, we will not assign a specific plot of land, but we will fill the first row from the water initially with trailers spaced 30' apart. There will be markers on the ground to designate the relative position of the trailers, and Tom Sullivan, Pat Diggins, and Howard Meisner will be there to assist you with parking. Upon parking your vehicle, drivers may claim their Covid test kits if they still need to test, and wait for teams to arrive. (Note Santa Clara is on the California Trailer, UCSD and OKC on the USD trailer and Georgetown on GWU). **If test kits are needed by a team in Pool "A" or Pool "B" a team representative may pick them up at this time so teams can test off site.**

This group in all likelihood will be able to stage off of trailers too, but may ask a couple of single boat programs to stow trailers in an adjacent lot. We have been assured that there's room for all 32+ trailers but if not, we can offload a couple or more after athletes arrive at 11:00 am.
