

2017 Music City Youth Sprints

April 22, 2017

Hosted by Nashville Rowing

Conditions: Horrible weather with thundestorms, rain, and wind pausing racing throughout the AM. Had to move to condensed schedule to fit as many events as possible before the big storm rolled in. Early Races (WV8, MV8) were in downpour with an almost non-existent cross wind. Later races were into a stiff 5-8 mph headwind.
