	1:48	1:47**

\* CWRU M2V8 was given a 20 sec. stagger

\*\* As always...regardless of the flagrant and shameless jumping of the start, the Alumni always seem to win. Thanks alumni for your support!

The Cleveland Collegiate Regatta was raced uncontested in 2019 by CWRU given the absence of the competitors of John Carroll University and Cleveland State University. Racing is eagerly anticipated to resume in traditional format in 2020.

Conditions were cold and blustery, wind increasing, mainly headwind, throughout the morning, around 13 mph. Races conducted on the Cuyahoga River.

Thanks go to Ohio Wesleyan University for coming to scrimmage. Appreciation goes also to the Cleveland Rowing Foundation for hosting, as well as the Aurora Lake Association for their understanding of the last-minute venue change.
